Practice & Equipment

- Students need a properly tuned acoustic piano or a weighted 88-key digital piano. Acoustic pianos should be tuned annually.
 - Keep fingernails short for correct hand positioning!
 - Regular practice is essential for progress—parents, your encouragement and support make all the difference.
-

Parental Involvement

- Parents of younger children are warmly encouraged to attend lessons to better understand teaching methods and support practice at home and reinforce their learning. Positive reinforcement is a wonderful way to build confidence and self-esteem!
-

Visitors & Phones

- Visitors and siblings are welcome if they can sit quietly during the lesson.
 - Please keep phones on silent to minimize distractions.
-

Health & Safety

- If your child is feeling unwell, please stay home and let me know. Zoom lessons can be arranged with notice.
 - For everyone's comfort, please remove shoes before entering the studio and wear clean socks or have clean feet indoors.
-

Performance Opportunities

- Our annual concert is a highlight of the year! It's a fantastic chance to build confidence and celebrate achievements. Even if your child isn't performing, attending as part of the audience is encouraged.
-

Missed Lessons

- **If I cancel:** I'll reschedule or apply a credit to the next term.
 - **If you cancel:** With notice, I'll try to reschedule or provide feedback on a submitted video. Zoom lessons may be an option with sufficient notice given. Otherwise, missed lessons are forfeited without refund.
-

Ending Lessons

- If you decide to stop lessons, please provide 4 weeks' notice so we can wrap up on a positive note. Lessons cannot be refunded if cancelled mid-term.
